### -THE OLD FASHIONED WAY-

Imagine the oh so cool, creamy taste of real custard. Since 1948 we have been making our custard fresh everyday to ensure you the finest quality custard possible. We have been making the custard using the same recipe for over 60 years. Our custard is pure, natural, and blended with the finest ingredients available. Everyday we make vanilla to be covered with our own toppings for your favorite sundaes or mixed with our flavorings for your favorite shake or malt. Custard sodas and floats, banana splits and parfaits are popular old-fashioned treats. Everyday we have fresh chocolate custard for chocolate lovers, and most days an additional flavor for cones and cups.

-Keeping the tradition alive-

OPEN MARCH 1 thru SEPTEMBER

We make every frozen  
 custard treat, drink & food  
 item especially for you,  
 from the best ingredients.
